

TEAM PROPOSAL

STEPS TO FOLLOW

Please download the provided Word document (hackX 9.0 Team Proposal Template.docx).

Demonstrate your idea following the specified criteria.

Convert the completed document to a PDF and save it with your team's name.

Submit your proposals via the link that will be updated on the site and announced shortly.

NOTE

- Proposals should follow the provided format.
- Responses submitted after the deadline will not be accepted.
- The category field in the proposal identifies the area of concern related to your project/idea, helping us better understand your project goals. It will not influence the evaluation process, nor will competitors be grouped by it.
